Web site for Everglades Club: President Pease had talked to owner Robert Mills about the possibility of the Everglades Club having their own web site. Robert explained some of the advantages of a web site. The cost would be approximately \$200 and an additional \$200 annually for a Web Master. Some training to use the web site will be necessary. Users would be limited and a password would be required. A motion to proceed with setting up a web site for the Everglades Club was made by John Denning and seconded by Dave Lyons. Vote to approve was unanimous. Robert Mills will handle and supervise the project.

Respectfully submitted,

Myron Johnson

Secretary
